

USING THE NAVY EXCHANGE

Once a Cadet has an ID Card, he/she may utilize the Navy Exchange at the Washington Navy Yard, Bethesda Naval National Medical Center or any other military exchange clothing sales location, to purchase uniforms and uniform items.

However, Cadets are encouraged to first check with the Sea Cadet Supply Officer, as we may have the item(s) in stock for loan or sale, at greatly reduced prices.

ORDERING FROM THE NAVY UNIFORM SUPPORT CENTER

Since Sea Cadets are not obligated to join the military and are not registered with the Department of Defense, ordering from the Navy Uniform Support Center online is not possible and there is a special procedure in order to order via telephone.

1) Call 1-800-368-4088. Chose "Navy" and tell them that you are a parent of a Sea Cadet and need to order.

2) Following their instructions, you must then fax the front & back of the (unexpired) ID card to 1-800-551-6289.

The ID & photo must fax clearly. It is a good idea to photocopy it using a lighter setting before faxing.

You may also scan the ID Card and e-mail it as an attachment, and that is actually the preferred method, so it can arrive in a timely and more readable manner.
